

Inside Secure announces changes in corporate governance
Boards to be more streamlined following sale of semiconductor business

Aix-en-Provence, France, October 20, 2016 – Inside Secure (Euronext: INSD), at the heart of security solutions for mobile and connected devices, announced today changes in the corporate governance following the completion of the company's transformation to a software and silicon IP licensing company.

As part of this transformation, the Management Board will now be comprised of Mr. Amedeo D'Angelo, president and CEO, and Mr. Richard Vacher Detournière, general manager and CFO. Mr. Pascal Didier, member of the Management Board and general manager and corporate secretary, will leave the company on December 30, 2016.

Furthermore, given the new size and focus of the company, Mrs. Joëlle Toledano and Mr. Glenn Collinson have offered to leave the Supervisory Board. Effective October 19, 2016, the Supervisory Board is comprised of five members, four of whom are independent: Mr. Pat Jones (Chairman); Mrs. Muriel Barneoud; Mr. Alex Brabers; Mr. Jean Schmitt; and Mr. Thierry Sommelet, representing Bpifrance Participations.

Mr. D'Angelo and the Supervisory Board express their gratitude to Mrs. Toledano and Mr. Collinson for their contribution to the development of the company since they joined the board and their support in the company's transformation. They also warmly thank Mr. Didier for his dedication and contribution during his 14 years of tenure with the company.
